Discover PACE* -A Very Important Benefit for Very Important People.

PACE, a payroll deduction traditional life insurance plan from Farmers & Traders Life Insurance Company, is an excellent way for you to expand your employees' benefit package without affecting your company's profitability .

PACE gives your employees a great added benefit that provides tax-deferred* cash-value accumulation and life insurance protection. The PACE plan presents your employees with the opportunity to purchase permanent life insurance voluntarily for themselves and their loved ones, without requiring contributions from you and in no way competes with or replaces any employee benefits you currently provide.

Through your sponsorship, PACE guarantees your employees more benefits and more cash value per premium dollar, accomplished through the convenience of payroll deduction.

*Under current tax laws.

Key Benefits

- Control increasing benefit costs while providing your employees with an additional benefit at no direct cost to you.
- Does not burden you with State or Federal filing requirements.
- Provides your employees with permanent life insurance that accumulates cash value.
- A professionally-run program in which you do not have to rely on your personnel to administrate.
